

Sanket Chaudhari

Software Developer | Artificial Intelligence & Data Science Undergraduate

+91 9834735054 | sanketchaudhari1035@gmail.com

Portfolio | GitHub | LinkedIn | Nashik, Maharashtra

Education

K. K. Wagh Institute of Engineering Education & Research

Bachelor of Technology in Artificial Intelligence & Data Science

2023 – 2027

CGPA: 8.52

Higher Secondary Certificate (HSC) – M.G. College, Chopda

2023 | 73%

Secondary School Certificate (SSC) – B.G. Shanbhag School, Jalgaon

2021 | 89.20%

Projects

PlaceTrack AI

Live | GitHub

Tech Stack: React, Tailwind CSS, Node.js, Express.js, PostgreSQL

- Built an AI-powered placement management platform for students and placement coordinators.
- Designed modules for company tracking, applications, interview progress and placement analytics.
- Developed a scalable architecture with responsive UI and role-based workflows.

Algonix

Live | GitHub

Tech Stack: React, TypeScript, Tailwind CSS

- Developed an interactive platform for visualizing algorithms and data structures.
- Implemented searching, sorting and graph algorithm visualizations.
- Designed an intuitive interface to improve the learning experience of DSA concepts.

GST Billing App

GitHub

Tech Stack: Kotlin, Jetpack Compose, MVVM, SQLite

- Developed an Android application for GST invoice generation and billing management.
- Implemented GST calculations, PDF invoice generation and invoice history management.
- Designed using MVVM architecture with Jetpack Compose for maintainability.

Carbonomics AI (Research Project)

Focus: Artificial Intelligence, Sustainability, Machine Learning

- Conducted literature review on AI-driven carbon emission prediction.
- Designed the overall system architecture and research methodology.
- Proposed an ML-based framework for emission forecasting and sustainability analytics.

Experience

Web Development Intern

Jul 2025 – Aug 2025

InternPe (Remote)

- Developed responsive web applications using HTML, CSS and JavaScript with a focus on clean UI and user experience.
- Built reusable frontend components, improved interface consistency and collaborated using Git and GitHub.
- Followed modern web development practices including version control, debugging and responsive design.

Open Source Contributions

Contributed to open-source projects through two merged pull requests, collaborating with maintainers by implementing features, addressing review feedback and improving production-ready codebases.

Contributor at **Open Source Connect Global 2026 (NexFellow)** and **ELUSOC Summer of Code 2026**.

Technical Skills

Languages	Python, Java, JavaScript, TypeScript, SQL, HTML, CSS
Frameworks	React, Next.js, Express.js, FastAPI, Tailwind CSS, Jetpack Compose
Databases	PostgreSQL, MySQL, SQLite, Firebase
Developer Tools	Git, GitHub, Docker, Postman, Android Studio, VS Code, Vercel
AI / ML	Machine Learning, Scikit-learn, Pandas, NumPy, Generative AI

Leadership & Community

Core Committee Member

2025 – Present

Computer Society of India (CSI) – KKWIEER Student Chapter

- Organized technical workshops, hackathons and community events for 200+ students.
- Collaborated with cross-functional teams to execute technical initiatives and student engagement activities.

Logistics Coordinator

Jan 2025 – Mar 2025

Innov-ERA National Hackathon

- Coordinated logistics for 100+ participants while managing volunteers and event operations.
- Streamlined event execution through planning, scheduling and on-site coordination.

Organizing Committee Member

Swapnapurti Foundation

- Led community initiatives including Ganesh Murti Sankalan (9000+ idols), tree plantation drives and food donation campaigns.

Achievements

- Built and maintained **StudyBuddy KKW**, an academic platform serving **1500+ users** overall and supporting **400+ students annually**.
- Gold Medal – 5th Open National Football Championship (U-19), represented Maharashtra.

Certifications

- Google Cloud Skills Boost
- German Language (A2) – HC Academy
- Cyber Security Basics – The Tech Unique Academy
- Deloitte Data Analytics Virtual Internship
- HP LIFE – AI for Beginners
- Python – One Roadmap Skill Certification (June 2025)
